FAIRMONT CAREER TECH

Field Trip / Off Campus Permission Form

Kettering Fairmont High School
Career Technology Center

Parent/Guardian and Student Acknowledgement of Course Requirements and Responsibilities

Course: Digital Design
Student Name: _____ School Year: 2019-20

The above named student has enrolled in a Career Tech course. This course requires a high level of student responsibility because of the hands-on nature of the course. The student has been provided with access to a Fairmont Student Handbook with rules and regulations that apply to the course. Many of these rules and regulations relate to the safety of the student and others.

The student may be operating hazardous equipment, using chemicals that can be dangerous if not handled correctly, and/or learning in clinical or workplace environments with a variety of potential hazards. Classroom instruction on safe practices, personal protective equipment and warnings provide a safe career tech education only if the student heeds the instructions and warnings and uses all required personal protective equipment properly.

A portion of the instruction will take place at ***off-campus location(s) and after school events including field trips, career exploration & internship opportunities & a variety of production locations.***

The above named student will travel to and from some off-campus location(s) by school bus.

The student is expected to provide his/her own transportation to and from other off-campus location(s). If the student is driving or riding in a private vehicle for this purpose, all traffic laws must be observed. The Kettering City School District Board of Education, including Fairmont High School, is not responsible for accidents, injury or property damage resulting from the student's travel in private vehicles. Adequate automobile liability insurance must be provided.

By signing below, the parent/guardian and the student:
1) Acknowledge awareness of the hazards, requirements and responsibilities of the unique educational environments of this course;
2) Certifies that they have read the Student Handbook for the course;
3) The parent or guardian consents to the operation of hazardous equipment, use of chemicals and/or exposure to the hazards related to the clinical or workplace environments at the off-campus location(s);
4) The student agrees to follow all safety rules, use safe practices and wear all required personal protective equipment;
5) The parent or guardian agrees to impress upon the student the importance of these safety precautions; and
6) The parent agrees to the above indicated transportation terms.
