Period _____

Assignment: Career/Page Layout

Computer Graphics and Digital Design are versatile in regards to the type of career paths it offers. A good foundation of design and graphics can carry a person into a multitude of different areas. It is important to understand your options and plan for the future if Digital Design is a Career Path you would like to take.

In this lesson we will look at the:

- Type of Careers available to those with a graphics (Digital Design) background
- Type of compensation (\$\$\$) you can expect earn, what areas might this career be more sought after?
- Education you may want to pursue to qualify?
- Why this career interest you?
- What do we need to understand in order to be successful (Designwise)?
- How do you plan to prepare for this career, what goals can you make to qualify?

Choose a Career from the list below or online at the link provided. You will be responsible for showing us as a class what the Career you chose entails graphically, including (3-5 paragraphs of your own writing) that summarizes the chosen Career. See the examples below!!

After you choose a CAREER to report on:

- You will need to show us graphically what that Career entails - use the ELEMENTS / TYPOGRAPHY.
- Your layout will be 11x17/17x11 (_____) sized paper with graphics large enough to support that size, we will put a SPECIAL EMPHASIS on using ORIGINAL Art.
- Color Mode should be _____ for PRINT and _____ DPI
- You may use Illustrator or Photoshop. (Written Summary in Google Docs)

Scoring:

- Career Choice, Research, Written Summary ____ / 25
- Layout Graphically Describing the Career ____ / 25
- Use of Illustrator and / or Photoshop to Create ____ / 25
- Design Process / Presentation ____ / 25
